

Here Comes The Sun

Auteur : The Beatles — (sans accords)

Here comes the sun
Here comes the sun
And i say its all right

Little dar - ling,
Its been a long, cold, lonely winter
Little dar - ling
It feels like years since its been here

Refrain

Little dar - ling,
The smile's returning to their faces,
Little dar - ling,
It seems like years since its been here

Refrain

Sun, sun, sun, here it comes

Little dar - ling,
I feel that ice is slowly melting,
Little dar - ling,
It seems like years since its been clear

Here comes the sun
Here comes the sun
And i say its all right
