

California Girls

Auteur : The Beach Boys — (sans accords)

Well East coast girls are hip
I really dig those styles they wear
And the Southern girls with the way they talk
They knock me out when I'm down there
The mid-west farmers daughters really make you feel alright
And the northern girls with the way they kiss
They keep their boyfriends warm at night

I wish they all could be California girls
(I wish they all could be Californian)
I wish they all could be California girls

The West coast has the sunshine
And the girls all get so tanned
I dig a French bikini on Hawaii island dolls
By a palm tree in the sand
I been all around this great big world
And I've seen all kinds of girls
Yeah, but I couldn't wait to get back in the states
Back to the cutest girls in the world

I wish they all could be California girls
(I wish they all could be Californian)
I wish they all could be California girls

I wish they all could be California girls (I wish they all could be Californian)
I wish they all could be California girls (I wish they all could be Californian). . .
