

Islands In The Stream

Auteur : Kenny Rogers — (sans accords)

(Kenny)

Baby when I met you there was peace unknown
I set out to get you with a fine tooth comb.
I was soft inside, there was something going on.

(Both)

You do something to me that I can't explain
Hold me closer and I feel no pain, every beat of my heart
We got something going on.

(Kenny)

Tender love is blind

It requires a dedication.

(Both)

All this love we feel needs no conversation.
We ride it together, uh huh

Making love with each other, uh huh.

Islands in the stream
That is what we are
No one in between how can we be wrong?
Sail away with me to another world
And we rely on each other, uh huh
From one lover to another, uh huh.

(Dolly)

I can't live without you if the love was gone

Everything is nothing if you got no one
And you did walk in the night
Slowly losing sight of the real thing.

(Both)

But that won't happen to us and we got no doubt

Too deep in love and we got no way out
And the message is clear
This could be the year for the real thing.

(Dolly)

No more will you cry, baby I will hurt you never.

(Both)

We start and end as one in love forever
We can ride it together, uh huh
Making love with each other, uh huh.

Islands in the stream
That is what we are
No one in between how can we be wrong?
Sail away with me to another world
And we rely on each other, uh huh
From one lover to another, uh huh.

Islands in the stream
That is what we are
No one in between how can we be wrong?
Sail away with me to another world
And we rely on each other, uh huh
From one lover to another, uh huh.
Islands in the stream

That is what we are
No one in between how can we be wrong?
Sail away with me to another world
And we rely on each other, uh huh
From one lover to another, uh huh. . . .
