

# Radio Ga Ga

Auteur : Queen — (sans accords)

(Drums, 8 bars)

I'd sit alone and watch your light  
My only friend through teenage nights  
And everything I had to know  
I heard it on my radio

You gave them all those old time stars  
Through wars of worlds invaded by Mars  
You made 'em laugh, you made 'em cry  
You made us feel like we could fly  
Ra - dio

So don't become some background noise  
A backdrop for the girls and boys  
Who just don't know or just don't care  
And just complain when you're not there

You had your time, you had the power  
You've yet to have your finest hour  
Ra - dio, (Ra - dio)

All we hear is Radio ga ga  
Radio goo goo  
Radio ga ga  
All we hear is Radio ga ga  
Radio blah blah  
Radio, what's new?  
Radio, some- one still loves you!

(Drums and synth, 4 bars)

We watch the shows, we watch the stars  
On videos for hours and hours  
We hardly need to use our ears  
How music changes through the years

Let's hope you never leave old friend  
Like all good things on you we depend  
So stick around 'cause we might miss you  
When we grow tired of all this visual

You had your time, you had the power  
You've yet to have your finest hour  
Ra - dio, (Ra - dio)

N.C.  
All we hear is Radio ga ga

Radio goo goo, Radio ga ga  
N.C.  
All we hear is Radio ga ga

Radio goo goo, Radio ga ga

All we hear is Radio ga ga  
Radio blah blah  
Radio, what's new?  
some- one still loves you!

(Drums and synth, 9 bars)

You had your time, you had the power  
You've yet to have your finest hour  
Ra - dio, (Ra - dio)  
(fade out)
