

Every Little Thing She Does Is Magic

Auteur : The Police — (sans accords)

Though I've tried before to tell her, of the feelings I have for her in my heart
Every time that I come near her, I just lose my nerve as I've done from the start

Every little thing she does is magic, everything she do just turn me on
Even though my life before was tragic, now I know my love for her goes on

Do I have to tell the story, of a thousand rainy days since we first met?
It's a big enough umbrella, but it's always me that ends up getting wet

Every little thing she does is magic, everything she do just turn me on
Even though my life before was tragic, now I know my love for her goes on

I resolve to call her up, a thousand times a day
And ask her if she'll marry me in some old fashioned way
But my silent fears have gripped me, long before I reach the phone
Long before my tongue has tripped me, must I always be alone?

Every little thing she does is magic, everything she do just turn me on
Even though my life before was tragic, now I know my love for her goes on
Every little thing she does is magic, everything she do just turn me on
Even though my life before was tragic, now I know my love for her goes on
On and, on and, on and

And do every thing, every little thing, every little thing, every little thing
Every little, every little, every little, every little thing she does
Every little thing she does, every little thing she does
Every little thing she does, thing she does is magic

Eee oh oh, Eee oh oh, Eee oh oh, Eee oh oh,
Eee oh oh, Eee oh oh, Eee oh oh, Eee oh oh,
Eee oh oh, Eee oh oh, Eee oh oh, Eee oh oh,
Eee oh oh, Eee oh oh, Eee oh oh, Eee oh oh,
Every little thing, every little thing
Every little thing she does is magic, magic, magic, magic, magic, magic

Yay yo, Ee yo yo, ee yo yo yo yo yo

(Do I have ... to tell the story ... of a thousand rainy days since we first met?
It's a big enough umbrella, but it's always me that ends up getting wet...)

Note: You can also use G6 A G6/B A, or embellish with all the piano notes while playing the chords to be closer to the original....
