

Alone

Auteur : Heart — (sans accords)

I hear the ticking of the clock, I'm lying here, the room's pitch dark
I wonder where you are tonight, no answer on your telephone
And the night goes by so very slow
Oh, I hope that it won't end though
Alone

Till now, I always got by on my own
I never really cared until I met you
And now it chills me to the bone
How do I get you alone
How do I get you alone

You don't know how long I have wanted, to touch your lips and hold you tight
You don't know how long I have waited, and I was gonna tell you tonight
But the secret is still my own
and my love for you is still unknown
Alone

Aaaaa Whooou-Whaooo

Till now, I always got by on my own
I never really cared until I met you
And now it chills me to the bone
How do I get you alone
How do I get you alone

How do I get you alone
How do I get you alone
Alooooooonee
