

# Hey Jude

Auteur : The Beatles — (sans accords)

Hey Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her into your heart  
and then you can start to make it better

Hey Jude, don't be afraid  
You were made to go out and get her  
The minute you let her under your skin  
then you begin to make it better

And anytime you feel the pain, hey Jude, refrain  
Don't carry the world upon your shoulders  
For well you know that it's a fool who plays it cool  
by making his world a little colder

Na na na na na na na naa

Hey Jude, don't let me down  
You have found her, now go and get her  
Remember to let her into you heart  
then you can start to make it better

So let it out and let it in, hey Jude, begin  
You're waiting for someone to perform with  
And don't you know that it's just you, hey Jude, you'll do  
The movement you need is on your shoulders  
Na na na na na na na naa yeah

Hey Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her under your skin  
and then you'll begin to make it better, better, better, better, better, better, ahhhhh!  
Na na na na na na Na na na na Hey Jude
