Auteur : Frank Zappa — (sans accords)

(Well...)

Catholic girls with a tiny little mustache  
Catholic girls, do you know how they go?  
Catholic girls in the rectory basement  
Father Riley's a fairy, but it don't bother Mary

Catholic girls at the CY--O  
Catholic girls, do you know how they go?  
Catholic girls, there can be no replacement  
How do they go after the show?

All the way, that's the way they go  
Every day, and none of their mamas ever seem to know  
Hip-hip hooray for all the class they show  
There's nothing like a Catholic girl  
At the CY-O when they learn to blow

(They're learning to blow...)

All the Catholic boys (Warren Cuccurullo!)  
Catholic boys (Kinda young, kinda wow!)  
Catholic boys (Vinnie Colaiuta!)  
Where are they now, did they all take the vow?

Catholic girls (Carmenita Scarfone)  
Catholic girls (Hey, she gave me VD!)  
Catholic girls (Toni Carbone)  
With a tongue like a cow, she can make you go wow!

(VD vowdy, vootie...)

Right away, that's the way they go  
Everyday, whenever their mamas take them to a show  
Matinee, pass the popcorn, please  
There's nothing like a Catholic girl  
With her hand in the box when she's on her knees

(She was on her knees...)

My little Catholic girls (In a little white dress)  
Catholic girls (They never confess)  
Catholic girls (I got one for a cousin)  
I love how they go, so send me a dozen!

Catholic girls (Well, well, well)  
Catholic girls (Mum-ma-mum-ma-mum-ma-mum)

Fade out...
