

# Strangers In The Night

Auteur : Frank Sinatra — (sans accords)

Strangers in the night exchanging glances  
Wond'ring in the night what were the chances  
We'd be sharing love  
Before the night was through.

Something in your eyes was so inviting,  
Something in your smile was so exciting,  
Something in my heart,  
Told me I must have you.

Strangers in the night, two lonely people  
We were strangers in the night, up to the moment  
When we said our first hello.  
Little did we know  
Love was just a glance away,  
A warm embracing dance away and

Ever since that night we've been together.  
Lovers at first sight, in love forever.  
It turned out so right,  
For strangers in the night.

Strangers in the night, two lonely people  
We were strangers in the night, up to the moment  
When we said our first hello.  
Little did we know  
love was just a glance away,  
A warm embracing dance away and

Ever since that night we've been together.  
Lovers at first sight, in love forever.  
It turned out so right,  
For strangers in the night.
