```

      E           E           B7
I'll have a Blue      Christmas without you
B7           E
I'll be so blue just thinking about you
      E7           A
Decorations of red on a green Christmastree
F#           B7
Won't be the same if      you're not here with me

      E           E           B7
And when those blue      snowflakes start falling
B7           E
That's when those blue mem'ries start calling
      E7           A           F#
You'll be doin' all right, with your Christmas of white,
B7           E
But I'll have a blue, blue blue blue Christmas
```

      E           E           B7
I'll have a Blue      Christmas that's certain
B7           E
And when those blue heartaches start hurting
      E7           A           F#
You'll be doin' all right, with your Christmas of white,
B7           E
But I'll have a blue, blue blue blue Christmas
      E7           A           F#
You'll be doin' all right, with your Christmas of white,
B7           E
But I'll have a blue, blue blue blue Christmas
