

# Hey You

Auteur : Pink Floyd — (sans accords)

Hey you! out there in the cold  
Getting lonely, getting old, can you feel me?  
Hey you! standing in the aisles  
With itchy feet and fading smiles, can you feel me?  
Hey you! don't you help them to bury the li-ii-ght  
Don't give in without a fight

Hey you! out there on your own  
Sitting naked by the phone, would you touch me?  
Hey you! with your ear against the wall  
Waiting for someone to call out, would you touch me?  
Hey you! would you help me to carry the sto-o-one?  
Open your heart, I'm coming home

(where the chords are G D C the meter changes to 2/4 for one bar)  
But it was only a fantasy  
The wall was too high, as you can see  
No matter how he tried he could not break free  
And the worms ate into his brain

Hey you! out there on the road  
Always doing what you're told, can you help me?  
Hey you! out there beyond the wall  
Breaking bottles in the hall, can you help me?  
Hey you! don't tell me there's no hope at a-aa-ll  
Together we stand, divided we fall.
