

A Bar Song Topsy

Auteur : Shaboozey — (sans accords)

capo 2

My baby want a Birkin, she's been tellin' me all night long
Gasoline and groceries, list goes on and on
This 9 to 5 ain't workin', why the hell do I work so hard?
I can't worry 'bout my problems, I can't take 'em when I'm gone

One, here comes the two, to the three, to the four
Tell 'em "Bring another round", we need plenty more
Two steppin' on the table, she don't need a dance floor
Oh my, good Lord

Someone pour me up a double shot of whiskey
They know me and Jack Daniels got a history
There's a party downtown, near 5th Street
Everybody at the bar gettin' tipsy
Everybody at the bar gettin' tipsy
Everybody at the bar gettin' tipsy

I been Boozey since I left, I ain't changin' for a check
Tell my ma, I ain't forget (Oh, Lord, uh)
Woke up drunk at 10 a.m., we gon' do this shit again
Tell your girl to bring a friend (Oh, Lord)

One, here comes the two, to the three, to the four
Tell 'em "Bring another round", we need plenty more
Two steppin' on the table, she don't need a dance floor
Oh my, good Lord

Someone pour me up a double shot of whiskey (A double shot of whiskey)
They know me and Jack Daniels got a history (We go way back)
There's a party downtown, near 5th Street
Everybody at the bar gettin' tipsy (Woo)
Everybody at the bar gettin' tipsy (At the bar gettin' tipsy)
Everybody at the bar gettin' tipsy

One, here comes the two, to the three, to the four
When it's last call and they kick us out the door
It's gettin' kind of late but the ladies want some more
