{c: Verse}

Well [A]East coast girls are hip

I really [G]dig those styles they wear

And the [D]Southern girls with the way they talk

They knock me [E]out when I'm down there

The [A]mid-west farmers daughters really [G]make you feel alright

And the [D]northern girls with the way they kiss

They keep their [E]boyfriends warm at night

{c: Chorus}

I [A]wish they all could [Bm]be California girls

(I [G]wish they all could [Am]be Californian)

I [F]wish they all could [Gm]be California [A]girls

{c: Verse}

The [A]West coast has the sunshine

And the [G]girls all get so tanned

I dig a [D]French bikini on Hawaii island dolls

By a [E]palm tree in the sand

I [A]been all around this great big world

And I've [G]seen all kinds of girls

Yeah, but I [D]couldn't wait to get back in the states

Back to the [E]cutest girls in the world

{c: Chorus}

I [A]wish they all could [Bm]be California girls

(I [G]wish they all could [Am]be Californian)

I [F]wish they all could [Gm]be California [A]girls
