

# Crazy On You

Auteur : Heart — (sans accords)

We may still have time, we might still get by  
Every time I think about it I want to cry  
With bombs and the devil, and the kids keep coming  
Nowhere to breathe easy, no time to be young

But I tell myself that I'm doing alright  
There's nothing left to do tonight

(or play riff)  
But go crazy on you  
Crazy on you  
Let me go crazy, crazy on you - ohh

My love is the evening breeze touching your skin  
The gentle sweet singing of leaves in the wind  
The whisper that calls after you in the night  
And kisses your ear in the early light

And you don't need to wonder, you're doing fine  
My love, the pleasure's mine

(or play riff)  
Let me go crazy on you  
Cra-azy on you  
Let me go crazy, crazy on you - ohh

Wild man's world is crying in pain  
What you gonna do when everybody's insane  
So afraid of one who's so afraid of you  
What you gonna do-o?

Ooooooh

(or play riff)  
Crazy on you  
Cra-azy on you  
Let me go crazy, crazy on you - ooh

I was a willow last night in a dream  
I bent down over a clear running stream  
I sang you the song that I heard up above  
And you kept me alive with your sweet flowing love

(or play riff)  
Cra - zy, yeah  
Cra-azy on you  
Let me go crazy, crazy on you - ohh

Cra-a-azy on you  
Cra-azy on you  
Let me go crazy, crazy on you - yeah

(or play riff)  
Crazy on you  
Cra-azy on you  
Let me go crazy, crazy on you - ohhh-ohhhh
