

I Need You

Auteur : America — (sans accords)

We used to laugh, we used to cry,
We used to bow our heads then . wonder why
But now you're gone, I guess I'll carry on
And make the best of what you've left to me,
Left to me, left to me

I need you, like the flower needs the rain
You know I need you, guess I'll start it all again
You know I need you like the winter needs the spring
You know I need you, I need you

And every day, I'd laugh the hours away
. Just knowing you were thinking of me
And then it came, that I was put to blame,
For every story told about me
About me, about me

I need you, like the flower needs the rain
You know I need you, guess I'll start it all again
3/4 time:
You know I need you, I need you
4/4 time:
I need you like the winter needs the spring
You know I need you, guess I'll start it all again
3/4 time:
You know I need you, I need you
4/4 time:
I need you, like the flower needs the rain
You know I need you, guess I'll start it all again
3/4 time:
You know I need you, I need you
4/4 time:
I need you like the winter needs the spring
You know I need you, guess I'll start it all again
3/4 time:
You know I need you, I need you . . .
