

Love Somebody

Auteur : Morgan Wallen — (sans accords)

Capo 2

Rumors goin' all over town
Can't keep my name out they mouth these days
Yeah they say
That I live too fast to settle down
The truth is I just think about these games
They all play

Wanna find
Somethin' stronger than the whiskey
And oh, I've tried
But every time I feel it kiss me, keep comin' up empty
Yeah

I just wanna love somebody who won't leave a hole in my heart
I just wanna love somebody that don't want me fallin' apart
And I'd be lucky if I ever find somethin' more than just a crazy night
I just wanna love some-

-body ... Who ain't hypnotized by dollar signs and blinin' lights
Like they tend to be
And I need someone that I'd be proud
To take on back to my home town
Honest eyes that just ain't gonna leave

To lonely nights
Even when she's up against me
I don't know why
It feels like there's nobody with me
N.C
And I'm still empty
Yeah

I just wanna love somebody who won't leave a hole in my heart
I just wanna love somebody that don't want me fallin' apart
And I'd be lucky if I ever find somethin' more than just a crazy night
I just wanna love somebody

I just wanna love somebody who won't leave a hole in my heart
I just wanna love somebody that don't want me fallin' apart
And I'd be lucky if I ever find somethin' more than just a crazy night
I just wanna love somebody

I just wanna love somebody
