

# Still Got The Blues

Auteur : Gary Moore — (sans accords)

song: STILL GOT THE BLUES 1990, UK  
Artist: Moore G.  
tabbed by: fiend'spainmaze (Segovia) from Mexico  
Standard tuning  
comments: I've tabbed only the lead guitar, but the  
tab of the 1st verse and chorus is the guitar II  
(acoustic). this tab isn't exact, time is obviously  
wrong. if you have the record, will be easier to play.  
you can improvise the way to play this tab, like the  
artist do in his performances. this song is simple,  
but in some parts is fast, just practice. so don't be  
afraid to the sound complicated of the record. this  
is my first tab, I hope you like and enjoy playing  
like I do. please, correct me if I'm wrong, or if you  
have comments, mail me.

I found in the hard way it's a road that leads to pain, i found  
that love was more than

just a game, you're playin' to win, but you'll lose just same  
guitar II, the same chords like the chorus 1.
