

Oh Carol

Auteur : Neil Sedaka — (sans accords)

(Ohh, ooh-ooh-ooo-ooo-oo-oo.)
(Ooo-ooo-ooo-ooo-ooo.)
(Ooo-ooo ooo-ooo-ooo.)

Oh, Carol, I am but a fool,
darling I love you, though you treat me cruel.
You hurt me and you make me cry,
but if you leave me, I will surely die.

Darling, there will never be another,
'cause I love you so.
Don't ever leave me, say you'll never go.

I will always want you for my sweetheart,
no matter what you do.
Oh, Carol, I'm so in love with you.
