

I Need You

Auteur : America

We [A]used to laugh, we [Amaj7]used to cry,
[Em7]We used to [G7]bow our heads then [C]. wonder why
But [A]now you're gone, I guess [Amaj7]I'll carry on
[Em7]And make the [G7]best of what you've [C]left to me,
[Fmaj7]Left to me, [D7]left to me

I [G]need you, like the [Em7]flower needs the rain
You know I [Bm]need you, guess I'll [Am7]start it all a[D]gain
You know I [G]need you like the [Em7]winter needs the spring
You know I [Bm]need you, [Bm]I need you . . . [D]. [E]

And [A]every day, I'd laugh the [Amaj7]hours away
[Em7]. Just knowing [G7]you were thinking [C]of me
And [A]then it came, that I was [Amaj7]put to blame,
[Em7]For every [G7]story told a[C]bout me
A[Fmaj7]bout me, a[D7]bout me

I [G]need you, like the [Em7]flower needs the rain
You know I [Bm]need you, guess I'll [G7]start it all again
3/4 time:
You know I [Cmaj7]need you, [Cmaj7] I [Am7]need you [Am7]
4/4 time:
I [G]need you like the [Em7]winter needs the spring
You know I [Bm]need you, guess I'll [G7]start it all again
3/4 time:
You know I [Cmaj7]need you, [Cmaj7] I [Am7]need you [Am7]
4/4 time:
I [G]need you, like the [Em7]flower needs the rain
You know I [Bm]need you, guess I'll [G7]start it all again
3/4 time:
You know I [Cmaj7]need you, [Cmaj7] I [Am7]need you [Am7]
4/4 time:
I [G]need you like the [Em7]winter needs the spring
You know I [Bm]need you, guess I'll [G7]start it all again
3/4 time:
You know I [Cmaj7]need you, [Cmaj7] I [Am7]need you .[Am7] . .
