

Lonely Road

Auteur : mgk (Machine Gun Kelly) — (sans accords)

Lonely road
Take me home
Take me home
Lonely road

I'ma go downtown
Ain't been in a long time
I'm takin' back Sundays
Since you took away my life (Since you took away my life)
There's some things that I know now (Mm)
Couple songs that I'd rewrite (Yeah)
Start over like Mondays
Pourin' strong on a weeknight (Mm)

See, I hear the devil wears Prada, but I couldn't read the tags
And your horns started showin' when I seen you mad
But I'll wait for you 'cause this is not the face I knew
I probably could've saved us, but instead, I let us crash
'Cause I don't trust no one to love me back, but sh■ say, "I do"
And this is not the place for you

Lonely road, tak■ me home
To the place that we went wrong
Where'd you go now?
It's been a ghost town
And I'm still here all alone

When the days feel long and the nights get cold
And I'm thousands of miles away (Ah-ah-ah)
I use alcohol just to fill that hole
Will our home ever be the same?

See, I hear the devil wears Prada, but I couldn't read the tags
And your horns started showin' when I seen you mad
But I'll wait for you 'cause this is not the face I knew
I probably could've saved us, but instead, I let us crash
'Cause I don't trust no one to love me back, but sh■ say, "I do"
And this is not the place for you

Lonely road, tak■ me home
To the place that we went wrong
Where'd you go now?
It's been a ghost town
And I'm still here all alone

And if you could salvage my soul
Would you sacrifice this life to not die alone?
'Cause even a pala.....ce ain't home without you
So I might leave here soon, but I wanna leave you this song (Hey)

Lonely road (Lonely road)
Take me home (Won't you take me home?)
To the place (To the place) that we went wrong
Where'd you go now? (Where'd you go now?)
It's been a ghost town
And I'm still here (I'm still here) all alone

(This lonely road) Yeah, I'm on this road now
(This lonely road) Feeling so alone
Take me home
(This lonely road) Mm, I'm on this road now
(This lonely road) Feeling so alone
Take me home, mm lonely home
