

Joes Garage

Auteur : Frank Zappa

{c: Intro}
[E]We take you now, to a ga[A]rage in Ca[E]noga Park
[E]It makes it's own sauce if you add water

{c: Verse 1}
[E]It wasn't very large
There was [A]just enough room to [B]cram the drums
In the [E]corner over by the Dodge
It was a '[A]54 with a [B]mashed up door
And a [E]cheesy little amp
With a [A]sign on the front said "[B]Fender Champ"
And a [E]second hand guitar
It was a [A]Stratocaster with a [B]whammy bar

{c: Instrumental}
[B]

{c: Chorus}
We could [E]jam in Joe's Garage
His [A]mama was screamin', his [B]dad was mad
We was [E]playin' the same old song
In the [A]afternoon, and [B]sometimes we would [E]play it all night long
It was [A]all we knew, and [B]easy too
So we [E]wouldn't get it wrong
[A]All we did was [B]bend the string like

{c: Instrumental}
[E] [A] [B]

{c: Verse 2}
[E]Down in Joe's Garage
We didn't [A]have no dope or [B]LSD
But a [E]coupla quartsa beer
Would [A]fix it so the [B]intonation would [E]not offend yer ear
And the [A]same old chords goin' [B]over an' over
Be[E]came a symphony
We could [A]play it again and a[B]gain and again
'Cause it [E]sounded good to me
N.C.
One more time

{c: Instrumental}
[E] [A] [B]

{c: Chorus}
We could [E]jam in Joe's Garage
His [A]mama was screamin'[B] "Turn it down!"
We was [E]playing' the same old song
In the [A]afternoon, and [B]sometimes we would [E]play it all night long
It was [A]all we knew, and [B]easy too
So we [E]wouldn't get it wrong
[A]Even if you played it on a [B]saxophone

{c: Instrumental}
[E] [A] [B]

{c: Verse 3}
We [E]thought we was pretty good
We [A]talked about keepin' the [B]band together
And we [E]figured that we should
'Cause a[A]bout this time we was [B]gettin' the eye
From the [E]girls in the neighborhood
They'd [A]all come over and [B]dance around, like

{c: Verse 4}
So we [E]picked out a stupid name

Had some [A]cards printed up for a [B]coupla bucks
'N' we was [E]on our way to fame
Got [A]matching suits and [B]beatle boots
And a [E]sign on the back of the car
And we was [A]ready to work in a [B]Go-Go Bar

{c: Bridge}
N.C.
One, two, three, four
N.C.
Let's see if you've got some more

{c: Instrumental}
[E] [A] [B]

{c: Verse 5}
[E]People seemed to like our song
They [A]got up and danced and [B]made a lotta noise
An' it [E]wasn't 'fore very long
A [A]guy from a company [B]we can't name
Said we [E]oughta take his pen
And [A]sign on the line for a [B]real good time
But he [E]didn't tell us when
These "[A]good times" would be [B]somethin' that was [E]really happenin'
So the [A]band broke up and it [B]looks like
We will [E]never play again

{c: Bridge}
N.C.
Guess you only get one chance in life
N.C.
To play a song that goes like
[E] [B] [F#m] [B] Turn it [E]down!
[E] [B] [F#m] [B] Turn it [E]down!
[E] [B] I have [F#m]children sleeping [B]here [E]
[E]Don't you [B]boys know any [F#m]nice songs? [B]

{c: Verse 6}
Well, the [E]years was rollin' by, yeah
[A]Heavy metal and [B]glitter rock had [E]caught the public eye, yeah
[A]Snotty boys with [B]lipstick on was [E]really flyin' high, yeah
And [A]then they got that [B]disco thing, and [E]new wave came along
And [A]all of a sudden I [B]thought the time had [E]come for that old song
We [A]used to play in [B]Joe's Garage
And [E]if I am not wrong, [A]you will soon be [B]dancin' to [E]

{c: Bridge}
The white zone is for [A]loading and un[B]loading only [E]
If you gotta load or un[A]load go to the [B]white zone

{c: Outro}
I said, the [E]years was rollin' by, yeah[A] [B]
The [E]years was rollin' by[A] [B]
So the [E]years was rollin' by [A] [B]
The [E]years was rollin' by[A] [B]
By, by, the [E]years was rollin' by[A] [B]
The [E]years was rollin' by [A] [B]
The [E]years was rollin' by[A] [B]
The [E]years was rolling by[A] [B]
