

# Just A Gigolo I Aint Got Nobody

Auteur : David Lee Roth — (sans accords)

Just a gigolo, Everywhere I go, People know the part, I'm playing  
Paid for every dance, Selling each romance, Ooh what they saying  
There will come a day when youth will pass away, Then what will they say about me  
When the end comes I know, They'll say just a gigolo,  
As life goes on without me

Just a gigolo, Everywhere I go, People know the part, I'm playing  
Paid for every dance, Selling each romance, Ooh what they saying  
There will come a day when youth will pass away, Then what will they say about me  
When the end comes I know, They'll say just a gigolo,  
As life goes on without me

'Cause I aint got nobody, nobody cares for me, nobody nobody cares for me  
I'm so sad and lonely, Sad and lonely sad and lonely  
Won't some sweet mama, Come and take a chance with me

Cause I aint so bad

Get along with me babe, Been singin love songs, All of the time  
Even only be, honey only, only be  
Bop bozadee bozadee bop zitty bop

I aint got nobody, nobody cares for me, nobody nobody cares for me

Break

Hummala bebhuhla zeebuhla boobuhla, Hummala bebhuhla zeebuhla bop

I aint got nobody, nobody cares for me, nobody nobody cares for me  
I'm so sad and lonely, Sad and lonely sad and lonely  
Won't some sweet mama, Come and take a chance with me

Cause I aint so bad

Get along with me babe, Been singin love songs, All of the time  
Even only be, honey only, only be

Sweet love, go, darlin, mama, baby, sweet, got nobody  
I love nobody, (nobody), nobody, (nobody), nobody, (nobody), nobody (nobody)

Nobody (Nobody) nobody cares for me.
