Livin' my life in a slow hell  
Different girl every night at the hotel  
I ain't seen the sun shine in 3 damn days  
Been fuelin' up on cocaine and whisky  
Wish I had a good girl to miss me  
Lord I wonder if I'll ever change my ways

I put your picture away  
Sat down and cried today  
I can't look at you, I'm lyin' next to her  
I put your picture away, sat down and cried today  
I can't look at you I'm lyin' next to her

I called you last night in the hotel  
Everyone knows but they won't tell  
But their half hearted smiles tell me  
Somethin' just ain't right

I been waitin' on you for a long time  
Fuelin' up on heartaches and cheap wine  
I ain't heard from you in 3 damn nights

I put your picture away  
I wonder where you been  
I can't look at you while I'm lyin' next to him  
I put your picture away  
I wonder where you been  
I can't look at you while I'm lyin' next to him

I saw ya yesterday with an old friend  
It was the same old same "how have you been"  
Since you been gone my world's been dark and grey  
You reminded me of brighter days  
I hoped you were comin' home to stay  
I was headed to church  
I was off to drink you away

I thought about you for a long time  
Can't seem to get you off my mind  
I can't understand why we're living life this way

I found your picture today  
I swear I'll change my ways  
I just called to say I want you to come back home

I found your picture today  
I swear I'll change my ways  
I just called to say I want you to come back home  
I just called to say, I love you come back home
