# Somebody That I Used To Know

Auteur : Gotye

```
{c: Intro}
[Am]    [G]   [Am]

{c: Verse 1}
[Am]  Now and [G]then I think of [Am]when we [G]were toge[Am]ther [G]   [Am]    [G]
[Am]  Like when you [G]said you felt so [Am]happy [G]you could [Am]die [G]   [Am]    [G]
[Am]  Told my[G]self that you were [Am]right for [G]me
[Am]  But felt so [G]lonely in your [Am]company[G]
[Am]  But that was [G]love and it's an [Am]ache I [G]still remem[Am]ber [G]   [Am]    [G]

{c: Instrumental}
{sot}
     Am        G        Am        G        Am        G        Am        G
e|----------------|----------------|----------------|----------------|

A|----------------|----------------|----------------|----------------|
E|----------------|----------------|----------------|----------------|
{eot}

{sot}
     Am        G        Am        G        Am        G        Am        G
e|----------------|----------------|----------------|----------------|
B|-5--------------|--------8-----5-|----------------|----------------|
G|----------------|----------------|-7--------------|----------------|
D|----------------|----------------|-------7-----7--|----------------|
A|----------------|----------------|----------------|----------------|
E|----------------|----------------|----------------|----------------|
{eot}

{c: Verse 2}
[Am]You can get ad[G]dicted to a [Am]certain [G]kind of s[Am]adness[G]   [Am]    [G]
[Am]  Like resig[G]nation to the [Am]end
[G]Always the [Am]end [G]   [Am]    [G]
[Am]  So when we [G]found that we could [Am]not make [G]sense
[Am]  Well you [G]said that we would [Am]still be [G]friends
[Am]  But I'll ad[G]mit that I was [Am]glad that [G]it was o[Am]ver [G]   [Am]    [G]

{c: Chorus}
[Am]  But you [G]didn't have to [F]cut me [G]off
[Am]  Make out [G]like it never [F]happened
And that [G]we were not[Am]hing
And [G]I don't even [F]need your [G]love
But you [Am]treat me like a [G]stranger
And that [F]feels so [G]rough
[Am]  You [G]didn't have to [F]stoop so [G]low
[Am]  Have your [G]friends collect your [F]records
And then [G]change your num[Am]ber
I [G]guess that I don't [F]need that [G]though
[Am]Now you're just some[G]body that I [F]used to [G]know

[Am]    [G]   [F]   [G]

[Am]Now you're just some[G]body that I [F]used to [G]know

[Am]    [G]   [F]   [G]

[Am]Now you're just some[G]body that I [F]used to [G]know

{c: Interlude}
[Am]    [G]   [Am]

{c: Verse 3}
[Am]  Now and [G]then I think of [Am]all the times you [G]screwed me o[Am]ver [G]   [Am]    [G]
[Am]  But had me be[G]lieving it was [F]always something [G]that I'd [Am]done[G]   [Am]    [G]
```

[G]   And I don't wanna live that way
[G]   Reading into every word you say
[G]   You said that you could let it go
And I [G]wouldn't catch you hung up on somebody that you used to know...

{c: Chorus}
[Am]  But you [G]didn't have to [F]cut me [G]off
[Am]  Make out [G]like it never [F]happened
And that [G]we were no[Am]thing
And [G]I don't even [F]need your [G]love
But you [Am]treat me like a [G]stranger
And that [F]feels so [G]rough
[Am]  You [G]didn't have to [F]stoop so [G]low
[Am]  Have your [G]friends collect your [F]records
And then [G]change your num[Am]ber
I [G]guess that I don't [F]need that [G]though
[Am]Now you're just some[G]body that I [F]used to [G]know

{c: Outro}
Somebo[Am]dy  [G] (I [F]used to [G]know)
Somebo[Am]dy (Now you're just some[G]body that I [F]used to [G]know)
Somebo[Am]dy  [G] (I [F]used to [G]know)
Somebod[Am]y (Now you're just some[G]body that I [F]used to [G]know)

[Am]     [G]   I [F]used to [G]know
[Am]     [G]   That I [F]used to [G]know
[Am]     [G]   I [F]used to [G]know
Somebo[Am]dy..[G].  [F]    [G]
