{c: Intro}
Lonely [G]road
Take me [D]home
Take me [C]home
Lonely [G]road

{c: Verse 1}
I'ma go [G]downtown
Ain't been in a [D]long time
I'm takin' back [Em]Sundays
Since you took away [C]my life (Since you took away my life)
There's some things that I [G]know now (Mm)
Couple songs that I'd [D]rewrite (Yeah)
Start over like [Em]Mondays
Pourin' strong on a [C]weeknight (Mm)

{c: Pre-Chorus}
See, I hear the [G]devil wears Prada, but I couldn't read the tags
And your [D]horns started showin' when I seen you mad
But I'll [Em]wait for you 'cause this is not the [C]face I knew
I proba[G]bly could've saved us, but instead, I let us crash
'Cause [D]I don't trust no one to love me back, but sh■ [Em]say, "I do"
And this is not the [C]place for you

{c: Chorus}
Lonely [G]road, tak■ me [D]home
To the [Em]place that we went [C]wrong
Where'd you [G]go now?
It's been a [D]ghost town
And I'm still [Em]here all a[C]lone

{c: Verse 2}
When the [G]days feel long and the [D]nights get cold
And I'm [Em]thousands of miles a[C]way (Ah-ah-ah)
I use [G]alcohol just to [D]fill that hole
Will our [Em]home ever be the [C]same?

{c: Pre-Chorus}
See, I hear the [G]devil wears Prada, but I couldn't read the tags
And your [D]horns started showin' when I seen you mad
But I'll [Em]wait for you 'cause this is not the [C]face I knew
I proba[G]bly could've saved us, but instead, I let us crash
'Cause [D]I don't trust no one to love me back, but sh■ [Em]say, "I do"
And this is not the [C]place for you

{c: Chorus}
Lonely [G]road, tak■ me [D]home
To the [Em]place that we went [C]wrong
Where'd you [G]go now?
It's been a [D]ghost town
And I'm still [Em]here all a[C]lone

{c: Bridge}
And [G]if you could salvage my [D]soul
Would you [Em]sacrifice this life to not die a[C]lone?
'Cause even a [G]pala.....ce ain't [D]home without you
So I might [Em]leave here soon, but I wanna leave you this [C]song (Hey)

{c: Chorus}
Lonely [G]road (Lonely road)
Take me [D]home (Won't you take me home?)
To the [Em]place (To the place) that we went [C]wrong
Where'd you [G]go now? (Where'd you go now?)
It's been a [D]ghost town
And I'm still [Em]here (I'm still here) all a[C]lone
{c: Outro}
